Dear Ms. Diamond and Mr. Albright,

I have attached a pdf of a letter detailing my concerns and support for the UIC permit application submitted to your offices by Curis Resources for the Florence Copper project. I will be forwarding the original hard copy to your office via DHL courier. I would greatly appreciate if you could reply to this e-mail to just acknowledge your receipt of the e-mail and the attached file.

I apologize for the length of the letter. I have sincerely tried to ensure that the letter is clear, well organized, and focused on facts and issues, even if it is not exactly concise.

With all due respect and regards,
David Wawrzyniec
